1,3 kg

PHASE-OUT

**Product-Information**

Recessed LED spotlight constructed out of die-cast aluminium in powder coating silver, particularly designed for lighting sales and presentation areas. With a special LED module for an optimum spotlighting of fish. Latest generation of LED technology producing a luminous flux of 3328 lm with 32 W. Faceted aluminium reflector with protective glass. Emission angle 'medium' of 26°. Spotlight rotatable up to 359°. Extendable spotlight with head swivelling up to 90°. Reflector replacement without any tool thanks to the bayonet fastener. Passive cooling through heat sink made of extruded aluminium profile. Complete spotlight including reflector and converter, colour Rendering Index (CRI) > 80, rated lifetime of minimum 60.000 h [according to EU decree No. 1194/2012], Energy Efficiency Index (EEI) A+. Ingress Protection IP20, Protection Class I. A honeycomb glare protection is an option. Dimensions: DM: 0180 mm, Cut-out DMxD: 170x180 mm, Weight: 1,3 kg
